Hakatai Introduces the Select Series for Modern Design

For Immediate Release: Stylish, ultra-modern mosaic glass tiles from Hakatai's new Select series provide architects and designers with an affordable opportunity to add a wide range of brilliant colors to contemporary spaces. The thin, lightweight construction of Select tile offers the same high-quality performance as thicker tiles for cost-effective design programs. The wide variety of sleek, glossy colors

offered in the Select series is achieved by firing special glaze on the underside of the tiles.

The Select series of 7/8" x 7/8" x 1/8" glass mosaic tile is available in 10 modern colors including Sea Salt, Quail Grey, Carbon, Paradise Blue, Cerulean, Garbanzo, Green Apple, Bluebird, Mauve and Paprika, with additional colors offered through special order. Hakatai's experienced design team has created a selection of five versatile standard blends with the Harmony Blend, Evergreen Blend, Bonny Blue Blend, Ultramarine Blend and Gothic Blend stocked for timely delivery.

Hakatai glass mosaic tiles from the Select collection are mesh-back mounted on easy to install 0.98 square foot sheets and are suitable for interior and exterior wet or dry applications. Bright, modern-looking, glass tiles from the Select series are ideal for kitchen backsplashes, shower walls, pool borders and light residential floors.
